Grand Knight's Corner

Brother Knights,

One of the three tenets of the Knights exemplification is Fraternity. Fraternity means brotherhood and that includes caring for one another and getting to know one another.

One of my goals as your new Grand Knight is to add some purely social events to our list of activities. Though we do a wonderful job of exhibiting Christian Charity through our service to the community, I would like to give additional opportunities for us to get together and bond as brothers; nothing heavy, just time to have fun and perhaps meet folks in the council and men of the parish that we may not know well. To that end, the council is coordinating a 49er football watch party in the Holy Family community center.

Please SAVE THE DATE - 11 October 2026

Attention all Holy Family men:

You are cordially invited to come watch a 49ers/Seahawks game in the Community Center.

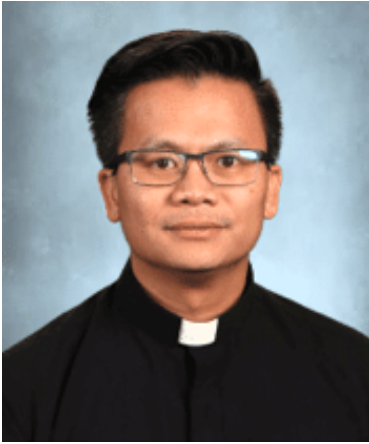

Catered BBQ lunch and drinks (Beer/Wine/Soda) included. Raffle available

Sunday October 11th doors open @ 12:30pm. Pricing, menu, & ticket details TBD

This is intended to be a purely social event (I may ask for some of you for a very minimal effort for set up/tear down of tables and chairs). I'm hoping for a large turn out from our council. Please support this by attending and enjoying the company of your brothers, eating some BBQ, and enjoying a good game on the big screen. All in good fun!

David Smearden, Grand Knight, St. Ignatius of Loyola Council 12853

Chaplain's Message

A HIGHER CALLING

Recently, there was a “shocking event” that is a profound story captured the attention of the Catholic world, resonating deeply within Silicon Valley and beyond: the journey of Scott Borba, co-founder of the multibillion-dollar cosmetics brand e.l.f. Beauty. At the height of worldly achievement, Borba chose to liquidate his assets, distribute millions to charity, and enter seminary formation to pursue the priesthood for the Diocese of Fresno.

To modern culture, Borba had attained the pinnacle of success: influence, prestige, industry power, and immense financial wealth. Yet, at a high-profile industry event surrounded by elite peers, he experienced a sudden, overwhelming sense of interior poverty and emptiness. The accolades and material security could not satisfy the deepest longings of his heart. Stepping outside the room, he offered a simple, vulnerable surrender: *“God, I feel so empty. Please help me to become the man whom You want me to be.”* That sincere prayer opened the door to grace, leading him to release his worldly empire to seek God’s will wholeheartedly.

Borba’s radical pivot offers three vital insights to enrich our own spiritual walk:

- **Grace is active and transformative:** In an increasingly secular age, radical conversions remind us that God remains powerfully at work in the human heart. Material security cannot silence the quiet call of divine love.

- **The world cannot satisfy eternal souls:** Worldly wealth and status offer comfort, but never ultimate purpose. St. Augustine famously wrote, *“Our hearts are restless until they rest in You.”* True abundance is found not in what we accumulate, but in how completely we give ourselves away in love and service.
- **Divine purpose requires total trust:** Christ often calls us to let go of what feels secure to receive what is truly eternal. Like the merchant seeking the pearl of great price, answering God’s call requires going “all in”—aligning our ambition with the higher mission of the Gospel.

Each of us is created with intentionality, fashioned for a higher calling that material pursuits can never fulfill. When we ground our identity not in our achievements, but in being children of God, we find the lasting peace and joyful fulfillment this world can never give. Let us take time in quiet prayer and reflection, asking God for the courage to surrender our plans to His, trusting that His purpose for our lives is far greater than anything we could build on our own.

Our Council funds. What do they support? Why do we have them?

I'm offering a series on our segregated funds reported in the monthly Financial Secretary Report.

First up is our 365 Club.

In 1955 the State Council created California Columbian Charities to assist brothers and their widows in financial distress. For 71 years Columbian Charities has provided charity, the first principle of our Order, fulfilling Blessed Father McGivney's mandate of brother helping brother. When a brother Knight hits hard times, he only needs to reach out to the Grand Knight who opens a request for assistance & outlines the need. Generally, these get approved and are always confidential. Our council has been granted a few requests over the years. The 365 Club is the primary means of raising funds. We ask that every brother join the 365 Club by donating a penny a day – either by adding an additional \$3.65 (or more) to their dues payment, or by a cash donation at council meetings. The council holds these funds until they are delivered to Columbian Charities during the "Parade of Grand Knights" at the State Convention.

Fraternally, Toby Laufer
Financial Secretary

Charity begins at home BROTHER HELPING BROTHER

September 2026

Brothers,

Every August, Knights from across the country and world gather to celebrate our Order's recent successes and look forward to what's next. This year is no exception. I want to congratulate you on your outstanding efforts that give us reason to celebrate.

We recently heard the latest, Order-wide numbers shared at the 144th Supreme Convention in Denver. Know that your council helped make that success possible. Congratulations! I believe we're making Blessed Michael McGivney proud. We celebrate his feast day on August 13, so this month is a fitting time to ask his continued intercession for our work. In founding the Knights, Father McGivney created a way to help men stay close to the Lord, to each other, and to help them and their families secure a financial future. He knew this was a way to strengthen families and protect them when they're at their most vulnerable.

Your council continues that legacy with every program you put on, every dollar you donate. But you also continue it when you choose financial products and services with the Knights. That's a concrete way you help make possible not just the Knights' local impact here in our community, but our impact around the world. Every day, I feel immensely blessed to be part of our brotherhood, and especially to serve it as an agent. It's such a privilege to carry out Father McGivney's mission of faith, fraternity and financial protection in that way. If we've never connected, or if it's been a long time, I will be glad to meet with you to review your current coverage or find the coverage to match your family's needs. Please come see me after the meeting and we can schedule a time. Thank you!

KNIGHT OF THE YEAR 2025-26 ROBERT CHUBB

Past Grand Knight Eric Bateman presents the Council's Knight of the Year recognition to Robert Chubb

Brother Robert Chubb was recognized as our Knight of the Year for his exceptional service over the past year. As our Warden, Brother Robert has set up our hall for meetings this past year, obtaining snacks or light meals for us. Bob is the sole purchaser of the materials for the Pancake breakfast, buying food items plus replacing items that have run out such as cups, napkins, spices, lemon juice, etc. He also comes back after morning Masses and helps with cleanup of the pancake most months.

Bob helped out with the drives we had this year; the tootsie roll drive, the coat drive and the food drive. A couple of our new Knights this year told me that Bob was instrumental in getting them to join the council as he was their OCIA sponsor.

FAMILY OF THE YEAR 2025-26 ERNIE AND BLESSIE LA SCOLA

Past Grand Knight Eric Bateman presents the Council's Family of the Year recognition to the Ernie & Blessie La Scola family

Ernie & Blessie La Scola were recognized as our Family of the Year for service to the Council, Columbiettes, and Parish. Brother Ernie mans the ticket booth for the pancake breakfast, attends the monthly rosary/adoration with Blessie and often leading a decade, and is our Lecturer offering informative Catholic talks.

Ernie & Blessie ran the Advent giveaway sponsored by the Knights during Advent to prepare parishioners to Keep Christ in Christmas. They are on the OCIA team bringing new Catholics into the parish. A number of our new knights were OCIA 'graduates' encouraged by Ernie to join the Knights.

Both serve with Children's liturgy of the word. They were the lead couple of the Seder meal at Holy Family before Easter. Ernie was on our Exemplification team bringing these men to our council. They are on the planning team for Family Camp. Blessie is on the newcomers orientation team and is the Vice President of Columbiettes.

KNIGHT OF THE MONTH

At our August Business meeting **David Gomez** was recognized as **July's Knight of the Month**. Brother David was a major help at the July Parish Breakfast. PGK David also assisted seminarian and Brother Knight Fortunatus Nnadi in selling tickets for the annual Sems v. Revs soccer challenge fundraiser. David ended the month volunteering at the BBQ tables for the annual Parish Picnic.

Knight David Smearden presents the Knight of the Month recognition to PGK David Gomez

FAMILY OF THE MONTH

Also at our August Business meeting **the David & Michelle Troutman Family** was recognized as **July's Family of the Month**. Both Troutmans assisted as Station Leaders at Vacation Bible Camp this year. David is coordinator of the Homebound Communion Ministry and a Eucharistic Minister. Michelle is involved in Tuesday bible studies and is a member of the Council's Columbiettes.

WE WISH A HAPPY BIRTHDAY TO OUR MILITARY SERVICES

IN SEPTEMBER, IT IS THE US AIR FORCE

The official date, and birthday, of the founding of the US Air Force is 18 September 1947, but the Air Force's history and heritage go back much further. From the first US military aircraft purchase in 1909 to 1947, the Air Force did not exist as a separate organization. Various it was called: Aeronautical Section, **Signal Corps** (1909); Aviation Section, **Signal Corps** (1914); **U.S. Army Air Service** (1918); **U.S. Army Air Corps** (1926), **U.S. Army Air Forces** (1941).

World War II was over and the Korean War lay three years ahead when the Air Force ended its 40 years with the Army to become a separate service. A new era began in which airpower became a major element of the nation's defense and one of its chief tools for deterring war. The Department of the Air Force was created when President Truman signed the National Security Act of 1947, renaming the Department of War to Department of the Army, merging the Army & Navy into the National Military Establishment (NME), then creating the Air Force. The three became the Department of Defense (DoD), renamed from the NME.

The U.S. Air Force is the aerial warfare service branch of the Armed Forces and one of the seven American uniformed services. The USAF is one of the world's largest and most technologically advanced air forces.

The USAF articulates its core functions as: Nuclear Deterrence Operations; Special Operations; Air Superiority; Global Integrated Intel, Surveillance & Recon; Command and Control; Cyberspace Superiority; Personnel Recovery; Global Precision Attack; Building Partnerships; Rapid Global Mobility and Agile Combat Support.

Following WWII, the Air Force emerged quickly from its separated role and began to create its own history and heritage. Recently the USAF Space Command was separated into the seventh armed service, US Space Command, reporting to the USAF Chief of Staff.
