## Grand Knight's Corner

### Brother Knights,

My first term as Grand Knight is almost up (I have agreed to do a second so come to the business meeting to vote for me!!) as the Columbian year ends on June 30th. I can't believe we were under pandemic watch for the entire Columbian year! A lot of our usual events were cancelled due to Covid but we as a council adapted, and I am proud of all that we did and we left "No Neighbor Behind." I can say that we were there when the parish needed us with canopies for outside Masses, drive-thru sacrament traffic control and church disinfecting. The council collected many items from the parish to help out neighbors in need, items like coats, food, baby items, winter weather clothing and ongoing support for Seminarians and Special Olympics/Hope Services.

The council boosted the faith of the parish with our monthly Zoom rosaries and the several Zoom faith talks we hosted with our Deacons. A big thank you from me to all the Knights who helped with these

activities and to all the council officers who helped plan the activities at our monthly Zoom officer's meetings. A special thank you to my worthy Deputy Grand Knight, David Gomez, who was especially active this past year and was always there to step up to take on leadership positions in the activities we did.

I was sad to hear the news that Fr. Celso will be leaving the parish and leaving our council as our chaplain. Fr. Celso has been a great chaplain for the council, with his insightful articles in the Knight Line newsletter and the inspiring messages at our business meetings. He also was always willing to be there for any needs we had for a chaplain: such as at our exemplifications and officer installations. We will definitely also miss his wonderful homilies at Mass and his warm friendship that he gave to everyone he met -- especially us Knights! Of course, he will still be around in San Jose so hopefully we can see him every once in a while, and maybe his new parish will continue to do online Masses so we can catch his homilies there. Thank you, Fr. Celso, for your wonderful work as our chaplain and God bless you in your new assignment at Queen of Apostles. We welcome our new priest, Fr. Tony Famave, as our new chaplain for the next Columbian year.

## Chaplain's Message

### MY PRIESTLY JOURNEY

Priestly life is beautiful, fascinating yet challenging. Once ordained as a priest I immediately belong to a Particular Church (Diocese) where I serve the People of God. I do the works and duties pertaining to the priestly functions of Christ not only as priest, prophet & king sharing the common priesthood. I am also called to perform the ministerial office of the One High Priest, our Lord Jesus Christ.

The challenging part comes in relating myself effectively to the different status, character, ethnicity, color and race of God's people. Diverse people of diverse mind and heart in receiving the Gospel. I must need to know and acquaint myself to the diversity of the congregation I am serving and preaching the Kingdom of God to be more effective.

Fear has no place in my heart when working at the vineyard. I have nothing to prove. I am assigned to a parish as sent by Jesus through my obedience to the Bishop. This is the work of the Lord and not my own work and agenda. I believe I will never fail in the administration of my ministry for I am God's instrument performing the task entrusted to me. When success is achieved in my priestly undertaking, I have no reason to be arrogant. Everything is for the glory of God for whom I am serving and giving my life.

There are times in the ministry that I am called to shepherd another flock in God's vineyard. I have mixed feelings in mind and heart. I felt sad in the leaving the people I am familiar with, having some connections in various ways make it difficult for me to go. Even though it is part of my priestly life to not

## Chaplain's Message (Cont'd)

stay permanently in a certain parish. Parting is one of the most emotional parts in my journey as priest. But I know I need to gather myself and leave. Then a feeling of excitement comes forth of what awaits in my next destination. That is the beauty of the priestly life. It is filled with mystery and excitement, for only God knows what lies ahead. But I am certain, He is always there with me, leading me to the ways to serve Him more fully.

The most satisfying experience in my priestly ministry is when I am able to share about the good news of Jesus, myself and my priestly journey to the people in the parish, to Holy Family in particular. Whatever I have done, be it inspiring or worthwhile, I lift everything to the Lord and praise Him. My heartfelt gratitude for your kindness, love, and generosity, especially to our dear Pastor, Fr. Andrew, the Parish Staff, and to each one of you dear to my heart during my four years of service. Being with my Brother knights was so enriching and an inspiring experience I had as their Chaplain.

Thank you and goodbye for now. Until we meet again. "I must leave in order to stay." I am looking forward to serving the people of God in other parts of the vineyard. There too, I will proclaim the gospel of Christ as God molded me and intended me to be. I will always be a priest because of you.

**God bless you all.**

## KNIGHT'S ROSARY

Thank You to all Knights, Columbiettes, family members, and parishioners who joined in our monthly rosary on May 20<sup>th</sup>. Our Rosary Team has already arranged for next month's rosary on June 17<sup>th</sup>, so plan on signing in through Zoom to confirm your connections before we begin at 7:00 p.m.

## NEXT KNIGHT'S ROSARY 6/17/21

## COLUMBIETTES PRESIDENT'S UPDATE

During May we elected our officers for the coming year: Patty Trillo is our new President, Martha Williams is the Vice President and Jan Piffner is Secretary. We made donations to the St. Vincent de Paul Conference at Holy Family Parish, Birth & Beyond/Juan Diego Women's Center, and Birthright.

On May 9<sup>th</sup> we presented Sam Sovi the annual Scholarship Award from the Columbiettes at the Life Teen Mass. Pentecost on March 23 gave us an opportunity to assist the Knights and parish with a Living Rosary after the 11:15 Mass.

## VACATION PLANNING TIPS!?

Traveling this summer? Add a Catholic Shrine or Holy Place while going over hill and dale to Granny's house, reunions, or just cruising the compass. Here's another site for your consideration. Go to the Midwest before snows and after tornadoes

**Visit: St. Louis, Missouri: The Shrine of Saint Joseph**

**The shrine of Saint Joseph** is the site of two miracles. The first involved Mr. Strecker who was injured in a work accident that led to a mysterious and incurable illness. In time, Mr. Strecker was pronounced to have 2 weeks to live. At that time a Jesuit missionary preached a mission at St. Joseph's. He brought with him a relic of St. Peter Claver. Upon hearing the story of St. Peter Claver's intercession, she encouraged her husband to implore St. Peter Claver for a miracle. The next day he made his way to St. Joseph's where he received a blessing with the relic of St. Peter Claver. The miracle was formally declared authentic by the Catholic Church in 1887. The second miracle? You will have to visit to find out what it is.

## HAPPY 246<sup>th</sup> BIRTHDAY!

The Continental Army was founded on June 14, 1775 to fight and win the Revolutionary War. From its formation, the **U.S. Army** has been the largest of the (now) six armed service branches. In 1947, the Army Air Corps was separated and became the US Air Force

When the Revolutionary War began the colonies had no army as each relied on their **militias of part-time civilian-soldiers** (whose right to keep arms would be integrated into the Constitution 14 years later). Initially authorized as 10 companies of riflemen, the first post-war Regular Army regiment was the 3rd Infantry, formed in June 1784. The Continental Army had been disbanded and there was only one regiment guarding the western frontier and one artillery battery guarding West Point's arsenal.

Between 1815 and 1860, the main roles of the Army were "control of Indians" in the West and manning coastal artillery stations at major ports. Regular and volunteer units fought Mexico in 1846-48. A combined conscript and volunteer force was formed to fight in WWI. During WWII, the "Army of the United States" was created and grew from 174,000 to 11.2 million of the 16 million total in the military.

In the post-Vietnam reorganization of the 1980s, the Army converted to an all-volunteer force emphasizing technology. By 1989, the Cold War was ending and the Army experienced major reductions. Recently personnel authorizations were increased to 486,000 and are still waiting for funding to add 1,000 per year until it reaches its goal. Army National Guard is allowed 336,000 and Army Reserve another 189,500 for a combined total of 525,500 additional soldiers ready to be called up.

*June 14th is also **Flag Day**, the adoption of our flag by the Second Continental Congress in 1777. It has been celebrated since the Civil War, but President Wilson set the date as June 14th in 1916. It is not a federal holiday.*

**RECOGNIZING OUR KNIGHTS**

**KNIGHT OF THE MONTH**

At May’s Business Meeting, **Brother and Deacon Craig Anderson** was recognized as Knight of the Month for April, Deacon Craig presented a wonderful on-line talk on St. Joseph in April, his second on-line talk for Holy Family Parish this year on Zoom. He is also our Council’s Culture of Life Program Director, even though he joined the Council only a year ago. Deacon Craig attended the Walk for Life in San Francisco this past January and in his Director role and in his personal commitment, he provides Life event information to our members on a regular basis.

**FAMILY OF THE MONTH**

Also at May’s Business Meeting, **Brother Ed and his wife, Nita Cruz**, were recognized as the Family of the Month for April. Brother Ed has been a faithful attendee of our Council’s online rosaries (leading a decade every time) and the Council’s on-line talks for the Parish on topics of our faith. Ed is also an active member of the Patriotic Order – the 4th Degree - and is always helpful when we have members seeking to join the 4th degree. Additionally, PGK Ed has created the 4th degree newsletter for over a decade. Nita is an active member of the Columbiettes and designed and submitted our ad for the Columbiettes’ State convention this year. Ed and Nita pray the rosary every evening on-line with another group.

## GUADALUPE HOPE SOCIETY VIRTUAL WALK

Congratulations to our Grand Knight Eric Bateman and his wife Judy and our Culture of Life Director Craig Anderson with his wife Mary Therese for participating in the Guadalupe Hope Society's (GHS) Virtual Walk & Run for Babies. This is an online fundraising initiative allowing people to hold their own symbolic walk/run while raising money for the Guadalupe Hope Society.

From Friday May 21st to Sunday May 23rd, walkers and runners walked/ran in their own neighborhood at a time and distance convenient for them. Their participation allowed GHS to provide its clients with ultrasound, prenatal advice, life coaching, baby supplies and more.

Congratulations to Grand Knight Eric and his wife Judy and our Culture of Life Director Craig with his wife Mary Therese for participating in the GHS Virtual Walk & Run for Babies on May 22! They raised over \$1,000 from their efforts and our council's donations.

## How Well Do We Respect Our Flag?

Once upon a time a football player sat on the bench during the national anthem at a preseason football game. Over the years more pro & college athletes joined in these constitutionally protected protests against racism and police brutality (by only a few officers); not to disrespect police, the military, or the flag. Disrespect?

**What IS the proper respect for our flag or anthem?** Do we follow it? Supreme's Flag Manual offers clear advice ([https://www.kofc.org/en/resources/service/council/4686\\_5-06\\_5-26.pdf](https://www.kofc.org/en/resources/service/council/4686_5-06_5-26.pdf)) and Title 4 of the US Code "**Respect for flag**" states **the Flag or material looking like the flag should:**

1. **Never** touch the ground, floor, water.
2. **Never** be used as apparel, bedding, or drapery.
3. **Never** have any mark (*dark Blue Bar?*), insignia, letter, word, figure, design, picture, or drawing placed on it.
4. **Never be used for advertising purposes.** It should **not** be . . . printed on paper napkins or anything designed for temporary use.
5. **Never be carried flat or horizontally.**

**How well does ANYONE follow the Code?** Remember the massive flags **carried flat** by volunteers and covering a football field so the owners who were paid by military recruiters got great TV shots? Folks wearing **swimsuits/shorts/hats/ties** that look as though they were **cut from flag materials?** **Flag photos with logos from clubs or dark blue lines** added in the middle? **July 4<sup>th</sup> napkins, beer cups, etc.** looking cut from flags?

Respect paid to our anthem at sports events. Folks screaming before the song's done and ignoring the flag & Color Guard departing the field? (Like walking out as mass ends-leaving the presider at the altar?)

**Respect for our flag is right** and the ideals it represents: patriotism and constitutional freedoms like equality, free speech, freedom to worship and everything else it means to be, or become, a citizen.

**{Check photos of improper respect at the right}**

Patriotic Chardonnay?

Flag Down Some Drinks?

Burgers, Potato Salad & Patriotism?

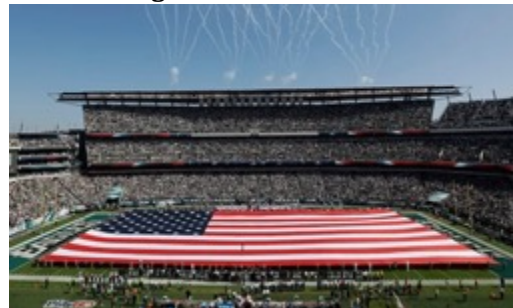

Wow, How long to make origami flag wreaths?

Old Glory Helps me Sleep Better At Night?

Used by Patriotic Bartenders Only?

Besides being carried FLAT, What's wrong here? Folks on this side see it properly. Everyone else sees it sideways or upside down. On a wall or carried properly, the blue field is always at the top left, & everyone sees it properly, whether they are to the left or right - there is no 'behind' or upside down.

**THANKS TO OUR MOTHERS!!**

For Mothers' Day this year, the Knights wrote notes to the mothers at Holy Family to be presented with roses to each. A group of our Knights hand wrote notes on cards that were put into envelopes bearing the Knights emblem with words of special appreciation from a Brother Knight, with our Council name and number on the envelope. Knights helped distribute the flowers, notes and gifts from Faith Formation and the Columbiettes to the mothers after each Mass on Mothers' Day

Have you asked a Catholic gentleman at your mass time or a neighbor to join our council? If we each ask just one man there's a good chance that one of them would say yes each month. Joining is so much easier with the unified 1<sup>st</sup> to 3<sup>rd</sup> degree ceremonies, so remind prospective Knight members that all of the 'secrecy' and formality has been changed and their families are also invited to attend now.

**Program Director - DGK David Gomez:**

**Our business meetings are on the 1<sup>st</sup> Thursdays, unless preempted by a major Church activity or Special Notice.** During Shelter in Place, we meet online only. Brothers, check out our 2021 programs and pick one (or one more!) that interests you or your family. Let me know and I will have the coordinator contact you. We always need a few Brothers to help traffic on Saturdays 3:30-4:30 pm for Confessions or for Drive-Thru Communion on Sundays 10:45-11:00.
